

Placements collectifs étrangers dont la distribution est autorisée en Suisse

(Les placements collectifs étrangers approuvés à la distribution en ou à partir de la Suisse ne sont pas placés sous la surveillance de la Commission fédérale des banques, mais sont contrôlés par les autorités de surveillance de leurs pays de provenance respectifs. La réglementation applicable dans ces pays concernant la surveillance, l'organisation et la politique de placement des placements collectifs est de manière générale équivalente à la réglementation applicable en Suisse, mais elle peut néanmoins en différer dans des cas particuliers).
