

Rene W. Keller

Member of the Board of Directors

Rene W. Keller has been a member of FINMA's Board of Directors since 1 February 2024.

Rene W. Keller (1964) studied at ETH Zurich and graduated in 1992 with a degree in computer science (Federal Diploma in Computer Science, ETH). He also obtained an Executive MBA from the University of St Gallen (HSG) in 2002.

Rene W. Keller began his professional career in 1994 as a programmer at the Swiss stock exchange before moving to the investment banking division of UBS in 1995, where he held various management positions. In 2002, Rene W. Keller joined Credit Suisse Group as Head of IT Global Core Banking. From 2010 to 2012 he was Chief Information Technology Officer and a member of the executive board at Swiss Life Switzerland.

From 2012 to 2014, Rene W. Keller worked as Chief Operating Officer and member of the executive board at Information Mosaic (a FinTech company) in Dublin, before joining Deutsche Börse as Chief Information Officer. From 2016 to 2020 he was Chief Information Officer for Retail, Private Banking and Wealth Management and Group Head of Innovation and Chief Data Officer at Deutsche Bank AG in London. From 2020 to 2023, Rene W. Keller moved to Singapore to join Standard Chartered, where he was Chief Information Officer for Corporate Investment and Institutional Banking.

Rene W. Keller and his company xplorizon Consulting selectively advise companies outside the financial industry in the area of IT management.

Current mandates/directorships

Since March 2024 Member of the Advisory Board of Digiterre, London
