

Martin Suter

Vice-Chair

Martin Suter (1961) has been a member of FINMA's Board of Directors since 2018 and Vice-Chair since 2021.

Martin Suter completed his studies in mathematics at ETH Zurich in 1986.

Martin Suter began his professional career in the technical software development of CAD/CAM systems.

Martin Suter moved to the financial sector in 1990. He initially worked for Credit Suisse, Global Treasury and from 1994 for UBS, Global Foreign Exchange and Money Market in the area of Risk Management and Analytics.

In 1997 Martin Suter moved to PwC, Management Consulting Financial Services, where he oversaw various projects for banks.

Martin Suter joined Swiss Life in 1999. He was head of Insurance Mathematics Enhancement for several years until he was appointed to the executive board of Swiss Life Switzerland in 2004 and was initially responsible for product development. In 2006 he was appointed Chief Financial Officer of Swiss Life Switzerland and was head of the Finance and Actuarial division in this role until his departure in 2016.

Since 2017 Martin Suter has been supporting smaller companies from the IT sector in matters relating to strategy and financial management through his company stylasis ag.
